

CHEMSPEC

Urine Contamination Treatment

Contains powerful odor counteractants and aggressive surfactants to neutralize odors on carpets, upholstery and hard surfaces like tile, concrete and wood. Ideal for residential, health care and educational applications. Also recommended as a cleaner and odor control product for restrooms. Urine Contamination Treatment works on all urine sources, and is suitable for use on stain-resistant carpet when used at the recommended dilution.

Review these [Tech Tips](#) for expert guidance on spot and stain removal.
